

Key information for posting on blogs and websites

Applications are now being accepted for Perimeter Institute's Perimeter Scholars International - Students' Training Accelerator for Research in Theory (PSI START) program. This ten-week online school offers students the opportunity to learn research tools and collaboration skills while immersed in the multi-disciplinary environment of the world's largest independent theoretical physics research centre.

Features of the program include:

- No program fee
- No application fee
- Opportunity to come to Perimeter in person for a paid 12 to 16 week research internship (start and end dates negotiable).
