

# PI PERIMETER INSTITUTE

## UNDERGRADUATE THEORETICAL PHYSICS SUMMER PROGRAM

May 25 to June 5, 2020

A two-week deep dive for students entering the final year of a physics undergrad.

Immerse yourself in the multi-disciplinary environment of the world's largest independent theoretical physics centre in Waterloo, Ontario, Canada.

No program fee. All meals, accommodations, and transportation provided.

Opportunity to remain at Perimeter for a four-month paid internship.

*Application deadline: January 6, 2020*
